A smart data hub for your transactions:  
HSBC Investor Reporting

## HSBC Investor Reporting: A single place to access your data

At HSBC, we understand the role digital plays in helping our clients achieve their ambitions. The HSBC Investor Reporting platform has been designed to meet your information sharing and reporting needs, with tailored privacy settings, to enhance your experience on transactions.

### Access a personalised dashboard module

- View a personalised and easy-to-navigate dashboard which highlights new reports and notices for your transactions.
- Download the documents you need including historical reports or notices.

### Use the Smart Search function to find the data you need

- The function allows you to find your data in a few seconds by searching the ISIN code, the issuer, the deal name, the series or the FIGI.
- You can also refine your search by product type (Auto, RMBS, CMBS, Consumer).

### Manage your portfolio

- A dedicated module gives you access to a summary of your portfolio.
- Easily create and maintain multiple portfolios to track your transactions.

### Receive notifications and alerts

- You can turn on notifications to be informed on portfolio changes (e.g. new reports available).

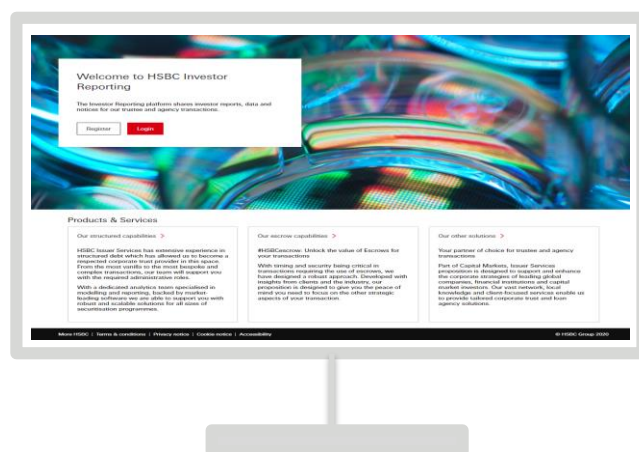

### Get your data directly from your mobile

The HSBC Investor Reporting platform is designed to be mobile-friendly, allowing you to view your data at anytime, anywhere, on the go.

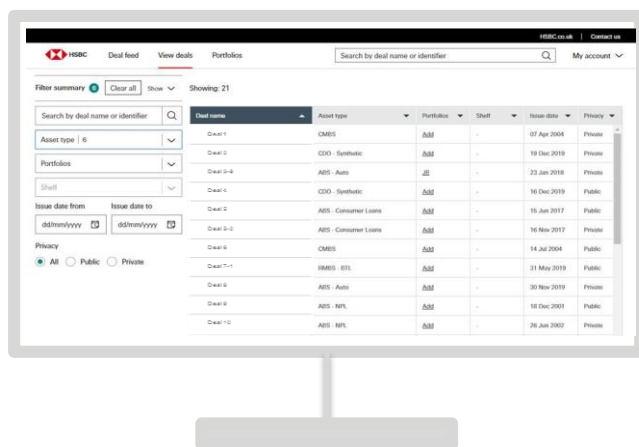

## Powerful analytics

- The platform is supported by a dedicated analytics team which provides a full suite of cash management services for issuers, investors and deal counterparties, including complex waterfalls and ESMA compliant reporting.
- A full history of your logs is available and our market analysts can assist you with data output requirements.

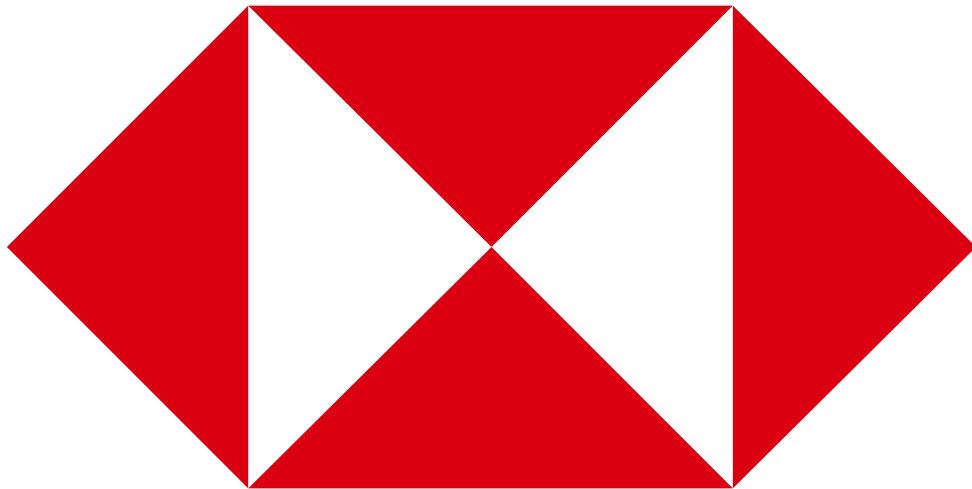

## Feature highlights

- **API functionality:** The HSBC Investor Reporting can easily be plugged into your own infrastructure to ensure efficient connectivity through an open API architecture, removing the need to manually log on.
- **Intuitive navigation:** To allow investors to enjoy a seamless online experience, the platform’s design is intuitive and easy to navigate. The platform also meets accessibility standards.

## Get started

- Our registration process is quick and simple. Register on the platform: [investorreporting.gbm.hsbc.com](https://investorreporting.gbm.hsbc.com) and await approval of the account (up to 48 hours).
